

Reception Newsletter

28th September 2018

Welcome to Three Peaks Primary Academy. We will be sending home newsletters to keep you up to date with Reception and Early Years events and giving you information/ideas on how you can help your child at home. We hope you find it useful.

First Week

What an amazing couple of weeks in Reception.

We are pleased with how the children have settled into school; coming in all day every day. There were very few tears. The children have shown us how excited they are to be in school.

Proud Clouds

We strive to make home-school links as much as possible. The children will have many opportunities to share their learning experiences out of school with us, through the use of 'proud clouds' (proud cloud attached). If your child wishes to share some exciting news or experiences with us in school, you can write it on a proud cloud to be shared and we place it on our proud cloud display. Proud clouds are sent home weekly, however if you need another please ask.

Online Communication

School website to find general information about the school, check letters that have been sent home, find out the current learning that is happening within the Reception classes, view photos of children learning in the gallery and links to support your child at home:

<http://www.threepeaksacademy.org.uk/>

Year group email address to send us an email and photos of your child's learning, achievements and practise work. This is in addition to weekly proud clouds that are sent home. Please note that this email address does not have a function for teachers to email back and will not replace communication in place such as texts and letters home –

Reception@threepeaksacademy.org.uk

Facebook and twitter pages to keep up to date on what is happening in school and see photos of children's work.

Snack

We provide fruit and vegetables in school for each child. However, we understand that some children may not like certain fruit or vegetables. Therefore, your child can bring in fruit or vegetables of their choice for snack time.

Reminders

Please ensure all items of clothing is clearly labelled with your child's name.

Please let us know in the morning or ring the office during the day if your child will be picked up by someone else.

Please do not hesitate to ask a member of staff if you need anything or have a question.

Thank you for your continued support.

Miss Sandhu and Mrs Cook
