This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Staff play leaders to support EYFS and KS1 pupils during lunch time.	Pupils have accessed and participated in more physical activities. Pupils have learnt how to use equipment and have learnt a variety of games to play.	We will continue to develop play leaders to support our new cohorts.
Extra-curricular activities through external providers	Extra-curricular activities have encouraged more pupils to be physically active and provided them with opportunities to take part in sports and activities.	Coach unlimited will continue to provide after-school clubs. We will not be continuing with Premier Education. SH Active will provide lunchtime and after-school clubs as well as targeted wellbeing/mental health groups.
Staff CPD for teachers in EYFS	Teachers have become more confident teaching the focused PE area for their CPD sessions.	A different group of teaching staff will benefit from CPD sessions next academic year as well as an additional new teacher in EYFS.
Reception Gross Motor Skill Development course	Coach led sessions to enable pupils in reception to get targeted support to help them to develop their gross motor skills in Reception. 92.6% of pupils in Reception achieved age expected in gross motor skills.	Coach Unlimited will provide the Gross Motor Skill Development course to the new Reception cohort this academic year.

Tailored program for Year 6 girls through Strong Girls Can program.	The group of Year 6 girls who participated in the program had increased levels of confidence and participated in activities.	The Strong Girls Can program will be provided to our new Year 6 cohort.
Increase the number of sports competitions and tournaments entered throughout the academic year.	The school entered many sports competitions and tournaments across a range of sporting events (cricket, football, athletics, cross country)	Continue to attend sports competitions and tournaments this academic year.
Purchase high quality specialist equipment to enhance the quality of provision.	<p>Pupils have a larger range of equipment to choose from, providing them with more opportunities for physical activity at break time and lunch time. Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	57%	Pupils have accessed swimming lessons since Year 4, however, not all pupils have been able to confidently swim 25m.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	78%	Pupils have accessed swimming lessons since Year 4 and have been able to use a range of strokes.

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	92%	Pupils have accessed swimming lessons since Year 4 and have been able to perform self-rescue.
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No
