1	<b>Continents, Oceans, Countries, Capital Cities, Seas</b> What are the 7 continents of the world? Where will we find them? What are the 5 oceans of the world? Where will we find them? What are the 4 countries of the UK? Where will we find them? What are the capital cities of the 4 countries of the UK? Where will we find them? What seas surround the UK?	<b>Events Beyond Living Memory – Great Fire of London</b> Where is London? When was the Great Fire of London? How did the fire start? Why did the fire spread so quickly? (Study Sun 2 <sup>nd</sup> September 1666) Where did the fire spread to? (Study Mon 3 <sup>rd</sup> and Tues 4 <sup>th</sup> September 1666) How do we know about the Great Fire of London? (Study sources of evidence) What effect did the fire have on London?	<b>Study Countries and regions of the UK</b> Remember countries and capital cities of the United Kingdom. What are regions and countries in the UK? Name and locate cities and counties of the UK Identify geographical regions by physical and human landmarks of Scotland and England Identify geographical regions by physical human landmarks of Wales and Northern Ireland. What are topological patterns of the UK? What can I see here? Summarise, present and explain regions, counties, cities and landmarks of the UK	<b>Struggle for the Kingdom of England to the Time of Edward the Confessor</b> What was life like for Vikings? When did the Vikings attack Britain? Where did the Vikings invade and settle? Why were the Vikings so feared and successful? When were the Vikings most powerful? What peace was agreed between Anglo-Saxons and Vikings? What happened to the Vikings in England? Why did the Vikings and Normans both think they had the right to the throne of England?	<b>Study Location of Countries Around the World, including Biomes.</b> Where would you find some of the major countries of the world? Where would you find some of the major cities of the world? What is a biome? How do biomes change across the world? What are the human characteristics that define Europe, North and South America? What are physical characteristics that define Europe, North and South America?	<b>Windrush Generation</b> What are the Caribbean islands? What's their history? How did the people of the Caribbean help Britain in the war against Nazi Germany and Hitler? Why did people migrate from the Caribbean to England in 1948? What was life in London like for the Windrush pioneers? Who was Sam King and what did he do? Who was Norma Best and what did she do? How did the Windrush migration change Britain for the better?

7	<b>Changes Within Living Memory</b> How have I grown and changed in my life? What is it like around here? What are the shops in my community? What were shops like in the past? How have shops changed? How are shops different today than a long time ago?	<b>Comparison of a non-European Location with Small Area of UK (London and Nairobi)</b> Where is London and what is it like? Where is the country of Kenya? What are the physical and human features of Kenya? Where is Nairobi and what is it like? How are London and Nairobi similar and different?	<b>Stone Age, Bronze Age, Iron Age</b> Introduce the three periods of time in the Stone Age What were Palaeolithic times like? How do we know? What were Mesolithic times like? How do we know? What were Neolithic times like? How do we know? When was the Bronze Age? What was the Bronze Age like? How do we know? How was the Bronze Age different to the Stone Age? When was the Iron Age? What was the Iron Age like? How do we know? What Changes do artefacts, burials and monuments tell us about the difference between the Stone Age, Bronze Age and Iron Age?	<b>Rivers</b> What are the features of a river? What are our local rivers? What features can we see? Where did it come from and where does it flow?	<b>Maya and Anglo-Saxon Comparison</b> Where did the Maya live? What were the significant events in the Maya's history? What were Maya city-states like? What did the Maya invent? What happened to the Maya city-states? Compare location, settlement, people, culture and invention between Anglo-Saxons and Maya cAD900	<b>Comparison Study of North America, Europe and the UK</b> Where is the Lake District and what is it like? How was the Lake District formed? Poland: Where can you find the Tatra mountains? What are the Tatra mountains like? The Caribbean and Jamaica: What do we know? What is the terrain like? What is similar and what is different between the Lake District, Tatra mountains and Caribbean?

1	Mapping and Fieldwork What is a map? How do I make an imaginary map? How do you show what a place is like? How do I make a real map?	Human and Physical Geography Fieldwork and Map Skills How do we describe places? -Locate human and physical features. -Know that North is an important cardinal point on a compass – all OS maps displayed facing North. What physical features does this place have? What human features does this place have? Map keys: How can we show what a place is like? Sketch map: How can we show what a place is like?	Rome and it's Impact on Britain Who were the Romans? What was it like to live in Rome? Remember the Celtic people: What was it like to live during the Iron Age? When did the Romans invade Britain? Who resisted the Roman invasion? Technology: How did Britain change under Roman rule? Summarise It: so what was the impact of Roman Empire on Britain?	Achievements of an Ancient Civilisation – Egypt Who were a few of the earliest civilisations and what did they achieve? Who were the ancient Egyptians and where did they live? The Old Kingdom: who was significant and what did they achieve? The Middle Kingdom: who was significant and what did they achieve? The New Kingdom: who was significant and what did they achieve? Achievements: How and what did the ancient Egyptians write? Achievements: How did the ancient Egyptians use the River Nile? Gods: What did the ancient Egyptians believe in? Evidence: What do we know about Tutankhamun?	Map Skills and Fieldwork Remember: What are OS maps and how do we use them? What are 4 and 6 figure grid references? What are contour lines? What does the land look like in my area? What is the land like in a contrasting locality?	Settlement, Land and Economic Relationships What are settlements and where are they found? Do settlements have a pattern? Do people, their movement and economic activity have patterns?
