

## Castle Day

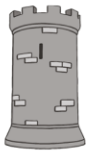

On Thursday 11<sup>th</sup> July we would like to finish our current topic by putting our D&T skills to the test and make castles.

For this to take place, we would be grateful if you could supply junk modelling material, such as:

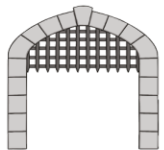

- Cardboard boxes (cereal boxes, food boxes etc)
- Cardboard tubes (kitchen roll -not toilet roll- pringle tubes etc)
- Plastic bottles (please ensure these are washed out)

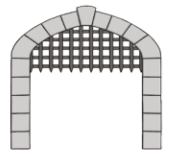

We are also inviting parents/grandparents/carers in on the above date to come and support your child (or a group of children) in building their castle. Please come to the year 3 door (by the library) for 1:15 to work in the KS2 hall and we aim to finish for 3:00

We appreciate any help or materials you can give.

Thank you
