

PHYSICAL EDUCATION CURRICULUM

STATEMENT OF INTENT

At Three Peaks Academy the intent of our PE curriculum is to deliver a curriculum which is accessible to all and that will maximise the development of every child's ability and achievement in the area of PE enabling them to know more about physical activity and keeping healthy, remember more about the physical activity they participate in and learn about and understand how to use and apply this knowledge to impact upon their own physical activity, participation and healthy lifestyle.

It is also our intent to teach children life skills that will positively impact on their future and inspire all children to succeed in physical activities. We want to teach children how to cooperate and collaborate with others, as part of a team, understanding fairness and equity of play to embed life-long values.

Throughout EYFS, Key Stage 1 and Key Stage 2, children will build on skills in a variety of different sports, ensuring progression for all involved.

We also know the importance of extra-curricular clubs and offer a wide range of free and paid clubs at lunchtime and after school to encourage more children to be active.
