

Autumn Walk

Dear Parents/Carers,

As you know in Reception we have a very active curriculum for the children to enjoy. As part of our Reception topic work we will be learning about the season Autumn. **As a result, we would like to take the children on an Autumn Welly Walk in our local area so they can explore the signs of autumn.**

The children will be going on a short Autumn Welly walk around our local area on **Monday 18th October 2021 at 1pm**. This will roughly take about an hour, and be weather dependent.

For this to go ahead we kindly ask for **9 parent helpers** to support supervise the children. **If you are able to support please state this on tapestry or please make a member of Reception staff aware.** Without the correct amount of adult helpers unfortunately we will not be able to go on the walk.

Please ensure that your child has the appropriate coat, hat and shoes for the walk. School uniform must be worn.

You have already given permission for your children to attend local area walks on their admission form. If you have any questions or worries please do not hesitate to contact the Reception team.

Thank you for your continued support
