

The pupil premium is additional funding for publicly funded schools in England to raise the attainment of disadvantaged students of all abilities and to close the gaps between them and their peers.

The impact and spending strategy for pupil premium funding is reviewed at every Academy Council/ Rapid Improvement Board meeting. The annual review is published on the academy's website in September each year.

The main barriers to achievement for disadvantaged pupils in this academy are:

- Low levels of parental support with learning
- Low level of attainment on entry
- Poor levels of attendance
- High levels of support required from external agencies with regards to well-being, family support and safeguarding.
- Limited access to reading materials and other educational opportunities in the home environment and local environment.
- Barriers in early language development and experiences of the wider community
- Access to ICT equipment

Total pupil premium funding for current year: £172,160

Disadvantaged<sup>1</sup> pupils by year group

Year group	Disadvantaged number	Disadvantaged percentage
R		
1	10	17.5%
2	16	29.6%
3	8	15.7%
4	9	15.0%
5	9	18.4%
6	22	37.2%
